14 SERIES Axios®
SAE Class I Modular LED Lightbar

The revolutionary Axios® modular LED lightbar system takes safety and on-the-job performance to a new level. Choose from seven high-performance LED lighting options with exclusive DropLock™ technology that feature simple twist-lock placement virtually anywhere in the bar. The Axios system enables you to design, build, and deploy the ultimate warning light solution. No-tools convenience makes building, reconfiguring, or upgrading your lightbar fast and easy.

Features

- Modules easily installed via DropLock™ power rails
- Supplied with in-cab controller
- 29 flash patterns
- Five color options - Amber, Blue, Clear, Green and Red
- Five length options - 39", 48", 54", 60" and 72"
- Seven standard chassis configurations
- Customizable configuration available, easy to upgrade
- Aluminum chassis, polycarbonate base and lens
- Range of strap mounting accessory kits
- Height: 3", width: 10.5"
- Temperature Range: -22°F to +122°F (-30°C to +50°C)
