

Value LED Lightbars

Available in four popular sizes

Get all the advantages of LED technology with the popular 70 Series chassis at a very competitive price.

This great value quad flash LED Lightbar range features 16 powerful LED heads per LED module, each giving a flash rate of 65FPM for maximum visibility. Combining the solid state, maintenance free and long life nature of LED technology with a proven tough housing design, these 70 series lightbars are designed to maximise resilience to excessive vibration and increase the life of the product.

70-00324-V
